Necessary arrangements have been made by the Company with CDSL to facilitate remote e-voting and e-voting during the AGM.
28. **The instructions for shareholders for remote e-voting and e-voting during AGM and joining meeting through VC/OAVM are as under:**
- Step-1: Access through Depositories CDSL/NSDL E-Voting system in case of individual shareholders holding shares in demat mode.
- Step-2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode:-
(As on date there are no physical shareholders in the company as all the shares are in electronic mode.)
- (i) The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee,

Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

- (ii) The voting period begins on Tuesday 26th August, 2025 from 9.00 A.M. and ends on Thursday, 28th August, 2025 at 5.00 P.M. During this period shareholders' of the Company as on the cut-off date of Friday, 22nd August, 2025, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (iii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iv) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (v) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for **Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL Depository	1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. According to the provision of Section 161(1) of the Companies Act, 2013 ('the Act'), Mr. Kanhaiya Lal Kumawat (DIN: 11093783) shall hold office as an Additional Director till the date of the next Annual General Meeting of the Company or the last date on which the Annual General Meeting should have been held, whichever is earlier.

However, pursuant to the provisions of Regulation 17(1C) read with Regulation 25 (2A) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the Company is required to obtain approval of shareholders by way of special resolution for appointment of a person as an Independent Director on the Board of Directors at the next general meeting or within a time period of 3 (three) months from the date of appointment, whichever is earlier.

The Company has, in terms of Section 160(1) of the Act, received in writing a notice from Member, proposing his candidature for the office of Director. The profile and specific areas of expertise of Mr. Kanhaiya Lal Kumawat (DIN: 11093783) are provided as Annexure to this Notice. Mr. Kanhaiya Lal Kumawat (DIN: 11093783) has given his declaration to the Board that he is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given his consent to act as an Independent Director, he meets the criteria of independence as provided under Section 149(6) of the Act and Regulation 16(1)(b) of the SEBI Listing Regulations and is not restrained from acting as a Non-Executive Independent Director under any order passed by the Securities and Exchange Board of India or any such authority and is eligible to be appointed as a Non-Executive Independent Director in terms of Section 164 of the Act. In the opinion of the Board, Mr. Kanhaiya Lal Kumawat (DIN: 11093783) is a person of integrity, possesses the relevant expertise/experience, and fulfills the conditions specified in the Act and the SEBI Listing Regulations for appointment as a Non-Executive Independent Director and he is independent of the management. In terms of Regulation 25(8)

of SEBI Listing Regulations, he has confirmed that he is not aware of any circumstance or situation that exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties.

Mr. Kanhaiya Lal Kumawat (DIN: 11093783) has confirmed that he is in compliance with Rules 6(1) and 6(2) of the Companies (Appointment and Qualification of Directors) Rules, 2014, with respect to his registration with the data bank of Independent Directors maintained by the Indian Institute of Corporate Affairs. Further Mr. Kanhaiya Lal Kumawat (DIN: 11093783) has confirmed that, he had not been a partner of a firm that had transactions during last three financial years with Company or its subsidiaries amounting to ten percent or more of its gross turnover.

In compliance with the provisions of Section 149 read with Schedule IV to the Act, a copy of the draft appointment letter in relation to appointment of Mr. Kanhaiya Lal Kumawat (DIN: 11093783) as a Non-executive Independent Director setting out the terms and conditions of the appointment would be available for inspection by the Members, by writing an email to the Company at oswalgroups2002@gmail.com.

Further, with effect from 1 January 2022, as per regulation 25(2A) of the SEBI Listing Regulations, appointment or the re-appointment of an independent director shall be subject to approval of shareholders by way of a special resolution. Mr. Kanhaiya Lal Kumawat (DIN: 11093783) fulfils the requirement of an independent director as laid down under section 149(6) of the Act and regulation 16 and 25 of the SEBI Listing Regulations.

The Board of Directors, based on the recommendation of the NRC considers and taken on record the declarations submitted by him after undertaking due veracity of the same and is of the opinion that Mr. Kanhaiya Lal Kumawat (DIN: 11093783) possesses requisite skills, experience and knowledge relevant to the Company's business and it would be beneficial to have his association with the Company as an Independent Director of the company in compliance with the provisions of Section 149 read with schedule IV to the Act and Regulation 17 of the SEBI Listing Regulations and the approval of the members is sought for the appointment of Mr. Kanhaiya Lal Kumawat (DIN: 11093783) as an Independent Director of the Company, as proposed in the resolution for approval by the members as a Special Resolution.

A brief profile of Mr. Kanhaiya Lal Kumawat (DIN: 11093783) and other requisite details, pursuant to the provisions of the Regulation 36 of SEBI Listing Regulations read with the secretarial Standard on General Meetings ("SS-2"), issued by the Institute of company secretaries of India are mentioned in this statement and/or annexed to this notice.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENT

The global seed industry forms a crucial segment of the agricultural value chain, providing the foundation for global food security, it is undergoing rapid transformation due to the integration of biotechnology, digitization in agriculture, and increased demand for high-yielding, climate-resilient varieties. Provides more than livelihoods for 2.5 billion people, and is the largest source of income and employment for poor, rural households.

In developing countries, this sector has remained resilient, as reflected in its performance over the years. Over the last five years, it registered an average annual growth at constant prices, and According As of 2024, the global seed market is estimated at USD 70–75 billion, and is projected to grow at a CAGR of 6–7% through 2030. The major markets include North America, Europe, Latin America (notably Brazil and Argentina), and Asia-Pacific. The sector remains vital for economic growth and food security worldwide.

The total Kharif Food grain production in India for 2024-25, as per the First Advance Estimates, is projected at 1647.05 Lakh Metric Tons (LMT) which is higher by 89.37 LMT as compared to previous year kharif food grain production and 124.59 LMT higher than average kharif food grain production. Foodgrain production witnessed record increase due to good production of Rice, Jowar and Maize. The total production of Kharif Rice during 2024-25 is estimated to be 1199.34 LMT which is higher by 66.75 LMT than the previous year kharif rice production and 114.83 LMT higher than average kharif rice production. The Kharif Nutri/coarse cereals is estimated to be 378.18 LMT. Further, the total Kharif pulses production during 2024-25 is estimated to be 69.54 LMT. The total Kharif oilseeds production in the country during 2024-25 is estimated to be 257.45 LMT which is higher by 15.83 LMT than the previous year total kharif oilseeds production. The production of Sugarcane in the country during 2024-25 is estimate

India is one of the largest seed markets in the world, valued at approximately USD 4.5–5 billion in 2024. It is expected to grow at a CAGR of 7–8%, driven by government support, rising awareness among farmers, and increasing adoption of quality seeds.

KEY CROPS

The Indian seed market is dominated by cereals (paddy, maize), oilseeds (mustard, soybean, sunflower), cotton, and vegetables. Hybridization is high in cotton, maize, and vegetables, but low in pulses and oilseeds.

GOVERNMENT INITIATIVES

- National Seed Policy and Seed Village Program promote production and distribution of quality seeds.
- PMKSY and National Mission on Seeds enhance access to certified seeds.
- Digital Seed Traceability and e-NAM platforms for better market linkages.

MARKET TRENDS

- Growth in Vegetable and Horticultural Seeds: Driven by profitability and demand from urban markets.
- Focus on Hybrid Seeds: Especially in cotton, maize, and vegetables.

- Increased Participation of Private Sector: Especially in research, hybrid development, and exports.
- Export Potential: India is emerging as a global hub for seed production and exports, especially for tropical and subtropical crops.

OPPORTUNITIES AND OUTLOOK

By 2050, the world will have 10 billion people, with Indian accounting for 1.73 billion (Source: United Nations). To feed India's growing population, the yield per hectare needs to increase significantly, especially keeping in mind the declining arable land in India. Further, India's agricultural yield is far lower as compared to global averages. Extreme weather coupled with low penetration of high-yielding hybrid seeds, lack of awareness of modern agricultural technologies and inefficient use of agrochemicals are some of the factors behind the low yield. This presents a significant opportunity for the Company's Crop Protection and Hybrid Seeds business along with opportunities for expanding crop advisory and digital offerings.

Innovations in seeds, crop protection and digital farming solutions can go long way in addressing the productivity problems affecting Indian agriculture. It will also help farmers get good commodity prices, encouraging them to spend on qualitative inputs for achieving higher yields.

Seed is the first and best hope a farmer has and forms the foundation of "Socio-Economic Empowerment and Development." Over the last decade, the Indian seed industry has grown significantly, driven by both private and public sector participation. Valued at \$6.3 billion in 2022, the market is projected to reach \$16.5 billion by 2030, expanding at a compound annual growth rate (CAGR) of approximately 12.4%.

During the year The Company received permission of **In-House R&D Recognition** from, the **Department of Scientific and Industrial Research (DSIR), Government of India**, awarded for three years.

During the year The Company received, **first right of refusal** for **Distiller's Dried Grains with Solubles (DDGS)** from **Oswal Ethanol and Feed Industry Private Limited (Group Company)**, effective from FY 2026.

Together, these accomplishments highlight Shreeoswal's **commitment to innovation, farmer empowerment, and long-term growth** in India's agricultural sector.

The seed companies cannot rely only on in-house, R&D for the most promising innovations, especially in the areas outside their traditional purview. Instead, they need to enrich their innovation pipelines by collaborating with digital startups and other specialized companies in biotech and Agri Tech space on the lines of pharmaceutical industry. This will not only help in sharing the costs, and risks of innovation allowing them to leverage the expertise and innovation capabilities that they lack. These collaborative models can be co-development partnerships with equals, deals to help smaller companies fund their research in specific fields, and collaborations with universities, government institutions and NGOs Digitization is the now the reality for the agriculture industry. If the seed companies need to meet the changing demands of farmers, regulators and consumers, they need to focus on developing cross-functional capabilities in data, analytics, and digital technologies.

THREATS

The continuous competition from the certified seed players and changes in government regulation provide threat to the company. These can either disrupt our operations or adversely affect our business and results of operations. We have operational risks that are inherent to business operations including manufacturing, supply chain and distribution operations, monsoon failures and any other business activity disruptions. Further issues like weather conditions, crop diseases and pest attacks could harm the production and demand of our seed products. This may result in negative results to our business, financial condition, operations and prospects. Increasing seed replacement rate in the country and the adoption of hybrid and biotech crops are the major drivers of the market.

Agriculture is very sensitive to weather and climate. It also relies heavily on land, water, and other natural resources that climate affects. While climate changes (such as in temperature, precipitation, and frost timing) could lengthen the growing season or allow different crops to be grown in some regions, it will also make agricultural practices more difficult in others. Nature of business of the company is agro based commodities and legal cases are filed by farmer due to Non-Germination of Agro Seeds or failure of Seeds Sample and which may be happened by any of the one condition i.e. Climate changes, Soil Issue, excess or less water used while irrigation of crop, Non-Germination and farmer negligence which is not the fault of the company.

The seed companies need to be move away from a product-centric approach to product and services that can be tailored to customer's needs. The development of these solutions is more important now as the expectation of customers have been shifting towards growing there food more sustainably, using less of inputs for higher productivity.

PRODUCT WISE PERFORMANCE

The Company has no reportable segment on standalone basis and on consolidated basis the Company has two reportable segments which consist of Seed and Psyllium in accordance with Ind AS-108 Operating Segment. Details of turnover and profitability along with other segment details are disclosed to Note Number 41 in consolidated financial statement of the Company.

INDUSTRY OUTLOOK

With good reservoir levels and retained soil moisture from the previous Rabi season, the sector was blessed with an above-normal monsoon for the second consecutive year. Early cropping during the Kharif season and prolonged monsoon created a very favorable climatic and soil condition for year-round cultivation of food crops, cash crops, fruits and vegetables. The higher output was well supported by the higher procurement by the Government leading to improved price realization by the farmers.

RISKS AND CONCERNS

The Company owns and operate only one processing facility situated at Neemuch, Madhya Pradesh. All our products are processed at the same facility. Our manufacturing facility is susceptible to damage or interruption or operating risks, such as human error, power loss, breakdown or failure of equipment, performance below expected levels of output or efficiency, obsolescence, break-ins, and industrial accidents and similar events. Further, our processing facility is also subject to operating risk arising from compliance with the directives of relevant government authorities. If our Company experiences delays in production or shutdowns due to any reason our Company's operations will be significantly affected, which

in turn would have a material adverse effect on its business, financial condition and results of operations.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has appropriate internal control system for business processes with regards to its operations; financial reporting and compliance with applicable laws and regulations. The Audit Committee approves the internal audit plan and internal audits are conducted at regular intervals in line with the approved plan. Audit observations and follow-up actions are discussed by the Internal Audit team with the management of the Company as well as Audit Committee.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

Financial and Operational performance forms are part of the Board Report separately.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES

The Company follows a strategy of attracting and retaining the best talent and keep employees engaged, motivated and innovative. The Company continues to have cordial relations with its employees and provide personnel development opportunities for all round exposure to them. As on 31st March, 2025, the Company had 31 employees.

DETAILS OF SIGNIFICANT CHANGES IN FINANCIAL RATIOS:

	F.Y. 2024-25	F.Y. 2023-24	Change in Ratio	Variance
Debtors Turnover	16.07	17.52	-8.27	-47.20%
Inventory Turnover	4.51	3.05	1.46	47.87%

The Securities and Exchange Board of India ("SEBI") administers a centralized web based complaints redress system ("SCORES"). It enables investors to lodge and follow up complaints and track the status of redressal online on the website at www.scores.gov.in. It also enables the market intermediaries and listed companies to receive the complaints from investors against them, redress such complaints and report redressal of such complaints. All the activities starting from lodging of a complaint till its disposal are carried online in an automated environment and the status of every complaint can be viewed online at any time. The Company has registered itself on SCORES and endeavors to resolve all investor complaints received through SCORES.

SEBI vide Circular no. SEBI/HO/OIAE/OIAE_IAD-1/P/CIR/2023/131 dated 31 July, 2023 (updated as on 4 August, 2023) has specified that a shareholder shall first take up his/her/their grievance with the listed entity by lodging a complaint directly with the concerned listed entity and if the grievance is not redressed satisfactorily, the shareholder may, in accordance with the SCORES guidelines, escalate the same through the SCORES Portal in accordance with the process laid out therein. Only after exhausting all available options for resolution of the grievance, if the shareholder is not satisfied with the outcome, he/she/ they can initiate dispute resolution through the Online Dispute Resolution ("ODR") Portal. Shareholders are requested to take note of the same.

COMPLIANCE CERTIFICATE ON CORPORATE GOVERNANCE

(Pursuant to Schedule V(E) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)

To,

The Members of

SHREEOSWAL SEEDS AND CHEMICALS LIMITED

“Oswal House”, Opposite Balkavi bairagi College,

Nasirabad Highway, Village Kanwati, Neemuch (M.P.) 458441

We have examined the compliance of conditions of Corporate Governance by **Shreeoswal Seeds and Chemicals Limited** (‘the Company’) for the year ended 31st March, 2025, as stipulated in Regulations 17, 17A, 18, 19, 20, 22, 23, 24, 24A, 25, 26, 26A, 27, clauses (b) to (i) and (t) of sub-regulation (2) of Regulation 46 and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (‘SEBI Listing Regulations’).

The compliance of conditions of Corporate Governance as stipulated under the SEBI Listing Regulations is the responsibility of the Management. Our examination was limited to procedures and implementations thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned SEBI Listing Regulations.

We have examined the relevant records of the Company in accordance with the Generally Accepted Auditing Standards in India, to the extent relevant and as per the Guidance Note on Reports or Certificates for Special Purposes and Guidance Note on Certification of Corporate Governance both issued by the Institute of Chartered Accountants of India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

**INDEPENDENT AUDITOR'S REPORT ON AUDIT OF ANNUAL STANDALONE FINANCIAL
STATEMENTS**

TO THE MEMBERS OF SHREEOSWAL SEEDS AND CHEMICALS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying financial statements of **SHREEOSWAL SEEDS AND CHEMICALS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, notes to the standalone financial statement and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S.No.	Key Audit Matter	Auditor's Response
1	Pending Litigations	
	As disclosed in Note 37 to the standalone financial statements, the Company is involved in an ongoing litigation with the Income Tax Department, currently pending before the Commissioner of Appeals. The litigation pertains to certain additions and disallowances made during assessment proceedings for Assessment Year 2022-23, resulting in a	Our audit procedures included, among others: Obtaining an understanding of the nature of the disputed matters and reviewing the Company's assessment of the potential outcome. Examining relevant documents including the assessment order, grounds of appeal,

	demand of Rs. 599.10 Lakhs. The Company is of the opinion, based on legal advice and facts of the case, that the demand is likely to be either deleted in full or substantially reduced and accordingly, no provision has been considered necessary in the financial statements. The matter has been disclosed as a contingent liability. We considered this to be a key audit matter due to: The significant judgment involved in assessing the likely outcome of the appeal; The materiality of the amount under dispute; and The potential impact on the financial statements if the outcome is unfavorable.	and legal opinions obtained by the Company. Discussing the case status and strategy with management and, where applicable, their external legal counsel. Evaluating the Company's accounting treatment and disclosures in accordance with Ind AS 37 <i>Provisions, Contingent Liabilities and Contingent Assets</i>. Assessing whether the disclosures in the financial statements adequately describe the nature of the litigation and management's judgment.
2	Accounting and Valuation of Corporate Financial Guarantee	
	During the year, the Company has provided a corporate financial guarantee amounting to ₹110.00crores to a related party, with a tenure of 9 years and an annual commission income of ₹11.00 lakhs. The accounting treatment of this arrangement involved significant management judgment in determining the fair value at initial recognition, subsequent amortization under the effective interest rate (EIR) method, and in evaluating the expected credit loss (ECL). Given the absence of observable market data for similar instruments in India, management estimated the initial fair value based on the present value of future commission inflows, discounted at the Company's incremental borrowing rate. This resulted in an initial recognition of the financial guarantee receivable and liability at ₹65.95 lakhs. We identified this as a key audit matter due to: The complexity and subjectivity involved in the valuation methodology, Its material impact on the financial statements, The involvement of a related party, requiring enhanced disclosure and audit attention under Ind AS 24 and SA 550.	Our audit procedures included, among others: Obtained and assessed the terms of the corporate guarantee agreement. Evaluated the appropriateness of the accounting policy adopted by the Company under Ind AS 109, Ind AS 115, and Ind AS 24. Reviewed the assumptions used by management in estimating the fair value of the guarantee, including the discount rate, fee schedule, and absence of observable market data. Assessed the arithmetical accuracy of the present value computation used for initial recognition. Evaluated the appropriateness of the unwinding approach applied for income recognition under the EIR method. Considered the adequacy of disclosures made in the notes to standalone financial statements regarding the guarantee, related party involvement, and valuation basis.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- Provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.

2. As required by section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income and the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (IND AS) specified under section 133 of the Act and rules made there under, as applicable;
 - e) On the basis of written representations received from management as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The company has disclosed the impact of pending litigations in its notes to standalone financial statements- Refer note 37 to the standalone financial statements;
 - ii. The company did not have any long term contracts including derivative contracts for which there were any foreseeable losses.
 - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv.
 - a. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
 - Provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
 - b. The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
 - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
 - c. Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (iv)(a) and (iv)(b) contain any material mis-statement.
 - v. No Dividend is declared or paid by the company during the year.
 - vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. The detailed records inter-alia related to payroll, fixed assets, production & valuation of inventory records, etc. are maintained in physical formats using sheets/ registers where audit trail cannot be enabled. Further, during the course of our audit we did not come across any instance of

audit trail feature being tampered with. Additionally, the audit trail has been preserved by the company as per the statutory requirements for record retention.

ANNEXURE B
To the Independent Auditors' Report on
Standalone Financial Statements of SHREEOSWAL SEEDS AND CHEMICALS LIMITED
(Referred to our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SHREEOSWAL SEEDS AND CHEMICALS LIMITED** ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- 1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Shreeoswal Seeds and Chemicals Limited ("the Company") is a limited company incorporated in India under the provisions of the Companies Act, 2013. The Company is a Processing unit involved in processing of agriculture seeds along with Trading of Agriculture Produce.

1.2 BASIS OF PREPARATION

COMPLIANCE WITH IND-AS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

CURRENT / NON-CURRENT CLASSIFICATION

All assets and liabilities have been classified and disclosed as current or non-current as per the Company's normal operating cycle and other criteria set out in division II of Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as up to twelve months for the purpose of current or non-current classification of assets and liabilities.

BASIS OF MEASUREMENT

The Company's financial statements have been prepared on a historical cost basis, except for the assets and liabilities that require measurement at fair value in accordance with Ind AS. The financial statements are presented in Indian Rupees and all values are rounded to the nearest lakhs (INR 00,000), except otherwise indicated.

1.3 SUMMARY OF MATERIAL ACCOUNTING POLICIES

a. Key accounting estimates and judgments

The preparation and presentation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities on the date of the financial statements and reported amounts of revenues and expenses during the period.

Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Accounting estimates could change from period to period. Any revision to accounting estimates is recognized prospectively in the current and future periods, and if material, their effects are disclosed in the financial statements. Actual results could differ from the estimates. Any difference between the actual results and estimates are recognized in the period in which the results are known/materialize.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

- I. Measurement of defined benefit obligations
- II. Measurement and likelihood of occurrence of contingencies
- III. Recognition of deferred tax assets

b. Inventories

Inventories are valued at lower of cost and net realizable value (except as otherwise stated) on an item-by-item basis, as under:

Raw materials, packing materials, stores and spares: Cost of inventory comprises all costs of purchase, duties and taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventories to their present location and condition. Raw materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on a first-in first-out formula.

Work-in-progress and finished goods: Cost includes direct materials and costs of conversion in the form of labour and a systematic allocation of fixed and variable production overheads. It also includes other costs which are incurred in bringing the inventories to their present location and condition. The allocation of fixed production overheads is based on normal capacity of production. Cost is determined on first-in first-out formula. The expected scrap value is deducted from the cost to arrive at the net cost of inventories. However, cost of inventories neither includes abnormal amounts of wasted material nor any scrap realizations there from.

By products and scrap are recognized at their net realizable value.

Stock-in-trade: Cost includes cost of purchases, duties and taxes (other than those subsequently recoverable from authorities) and other costs which are incurred in bringing the inventories to their present location and condition. Cost is determined on a first-in first-out formula.

Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Cost of agricultural produce is deemed to be the fair value on the date of rise.

Cost of finished goods and work-in-progress include cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

c. Taxes**Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

The tax expenses for the period comprise of current tax and deferred tax. The Company exercises judgment in computation of current tax considering the relevant rulings and reassesses the carrying amount of deferred tax assets at the end of each reporting period

d. Property, plant and equipment

Property, plant and equipment are stated at historical cost less accumulated depreciation and impairment losses, if any. Cost comprises of purchase price net of trade discounts and rebates, non-refundable duties and taxes, any directly attributable cost of bringing the asset to its working condition for its intended use. Cost also includes borrowing cost directly attributable to acquisition / construction of a qualifying asset up to the date the asset is ready for its intended use. Subsequent expenditure on fixed assets is capitalized only if such expenditure results into an increase in the future benefits from such asset beyond its previously assessed standard of performance.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

Capital work-in-progress comprises the cost of property, plant and equipment that are yet not ready for their intended use at the balance sheet date. The depreciable amount of a depreciable fixed asset is allocated on a systematic basis to each accounting period over the useful life of the asset. Management's estimate of useful life, which is duly supported by technical evidence, is as stipulated in Schedule II to the Companies Act, 2013. The useful life is for the whole of the asset, except where cost of a part of the asset is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part ("component") is determined separately and the depreciable amount of the said component is allocated on a systematic basis to each accounting period during the useful life of the asset.

In arriving at the depreciable amount, residual value in case of certain assets are considered to be more than 5% of the original cost, this estimate of residual value is duly supported by technical advice. Depreciation on assets acquired during the year is calculated on a pro-rata basis from the date of addition. Similarly, depreciation on assets sold, discarded, demolished or destroyed during the year is also calculated on a pro rata basis up to the date on which such asset has been sold, discarded, demolished or destroyed. Depreciable assets costing up to Rupees 1,000/- are depreciated fully in the year of acquisition. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

e. Leases

IND-AS 116 "Leases" is mandatory for the accounting period commencing on and from 1st April 2019, and has replaced the existing IND-AS 17 relating to leases. We have applied the modified retrospective approach, for which no significant adjustments were required to be made to the retained earnings as at 1st April 2019. However, no material lease has been recognized for the year ending March 31, 2025.

f. Employee benefits

Short term employee benefits

All employee benefits which fall due wholly within twelve months after the end of the period in which employee renders the related service are classified as short-term employee benefits. Undiscounted value of short term benefits such as salaries, wages, bonus and ex-gratia are recognized in the period in which the employee renders the related service.

Defined Contribution Plans:

The Company's Employee's Provident Fund scheme, Employee's State Insurance Scheme and Employee's Superannuation Scheme are defined contribution plans. The Company's contribution payable under the schemes is recognized as an expense in the statement of profit and loss during the period in which the employee renders the related service.

Defined benefit plan Gratuity

The Company operates a defined benefit gratuity plan, which requires contributions to be made to a separately administered fund. The defined benefit plan surplus or deficit on the balance sheet comprises the total for each of the fair value of plan assets less the present value of the defined liabilities. The cost of providing benefits under the defined benefit plan is determined based on independent actuarial valuation using the projected unit credit method. The gratuity liability is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, is based on the market yield on government securities as at the balance sheet date.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized

immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognized in profit or loss on the earlier of:

The date of the plan amendment or curtailment, and

The date that the Group recognizes related restructuring cost

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

The Company recognizes the following changes in the net defined benefit obligation as an expense in the statement of profit and loss: Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and Net interest expense or income

As per Actuarial Valuations as on 31st March, 2025 and recognised in the financial statements in respect of Employee Benefit Schemes: The liabilities arising in the Defined Benefit Schemes are determined in accordance with the advice of independent, professionally qualified actuaries, using the projected unit credit method as at year end.

g. Earnings Per Share

Earnings per share (EPS) is calculated by dividing the net profit for the year attributable to the equity shareholders by weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and weighted average number of shares outstanding during the period is adjusted for the effects of all diluted potential equity shares.

h. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating units (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples or other available fair value indicators. No such asset was impaired during the reporting period.

i. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

j. Revenue recognition

Revenue is measured at the fair value of consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade discount or rebates. The Company recognizes revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Company.

Revenue from Sale of goods

Revenues from sales of goods are recognized upon transfer of control of promised goods to customer, which are generally on dispatch of goods and the customer has accepted the products in accordance with the agreed terms. There is no continuing managerial involvement with the goods and the Company retains no effective control of goods transferred to a degree usually associated with ownership. Revenue from sales of goods is based on the price quoted in the market or price specified in the sales contracts.

k. Other Income

Other Income is comprised primarily of interest income, discounts and lease rent. Interest income is recognized on accrual basis.

l. Financial Assets

Purchase and sale of Financial Assets are recognised using trade date accounting. Trade receivables that do not contain a significant financing component are measured at transaction price.

The Company has elected to account for its investments in subsidiaries, associates and joint venture at cost less impairment loss (if any). All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss.

For financial guarantee contracts at initial recognition, financial guarantee contracts are measured at fair value, which, in the absence of an active market, is determined based on the present value of future commission income using the Company's incremental borrowing rate. Subsequently, financial guarantee liabilities are measured at the higher of (i) the amount of the loss allowance determined in accordance with the expected credit loss model and (ii) the amount initially recognized less cumulative income recognized under Ind AS 115 – Revenue from Contracts with Customers. The related income is deferred and recognized in the statement of profit and loss over the term of the guarantee using the effective interest method. Financial guarantee receivables are classified and measured at **amortised cost**, as they are held within a business model to collect contractual cash flows that are solely payments of principal and interest.

Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortized cost

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit and loss or other comprehensive income.

Derecognition of financial assets

A financial asset is derecognized only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset but assumes a contractual obligation to pay cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the Company has not transferred substantially all risks and rewards of ownership of financial asset, the financial asset is not derecognized.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the Company has not

(i) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk primarily relates to trade and other receivables, long-term loans, cash and cash equivalents.

The Company's exposure to credit risk with regards to trade and other receivables is influenced mainly by the individual characteristics of each customer and there is no significant concentration of risk related to industry segments. The granting of credit is controlled by well-established criteria that are reviewed on a regular basis. The maximum exposure to credit risk at the reporting date is the carrying amount of each trade receivable.

The credit policy requires each new customer to be analyzed individually for credit worthiness before delivery and payment terms are offered.

Other receivables consist primarily of security deposits, loans to employees and other receivables. The risk of default is assessed as low.

The credit risk surrounding loans receivable is assessed as low risk.

Credit risk on cash and cash equivalents is assessed as low risk as the Company deposits cash surpluses with financial institutions of high quality and standing.

(ii) Liquidity Risk

The Company actively monitors its cash flows to ensure there is sufficient cash available to meet its working capital requirements. Due to the dynamic nature of the underlying businesses, the Company maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's cash and cash equivalents on the basis of expected cash flow.

The Company's current trade and other payables are all due within one year.

The table below summarizes the maturity profile of the Company's financial liabilities as at 31 March 2025 based on contractual undiscounted payments:

Amount in Rs. Lakhs

Particulars	Less Than One year	1-2 Years	2-4 Years	>4 Years	Total
Trade Payables	36.09	0.13	-	-	36.22
Long Term Borrowings	2.34	2.61	2.85	12.96	20.76
Short Term Borrowings	1,027.55	-	-	-	1,027.55

(iii) Market Risk

Interest Rate Risk

The Company is exposed to interest rate risk on its cash and cash equivalents, long-term loans and borrowings, which can have an impact on the cash flows of these instruments. The exposure to interest rate risk is managed through the Company's Board by using counterparties that offer the best rates which enables the Company to maximize returns whilst minimizing risk.

retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

m. Borrowings

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the effective interest rate method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as the effective interest rate amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The effective interest rate amortization is included as finance cost in the statement of profit and loss.

n. Cash and Cash Equivalents

Cash and cash equivalents comprise of cash on hand, cash at banks, short-term deposits and short-term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

o. Litigations

The nature of business of the company is agro based commodities and legal pending cases against the company at district court are due to Non-Germination of Agro Seeds or failure of Seeds Sample and which may be happened by any of the one condition i.e. Climate changes, Soil Issue, excess or less water used while irrigation of crop, Non-Germination and farmer negligence which is not the fault of the company. Further quantum of the amount is not ascertainable and nature of the cases are in criminal hence there was no impact on financial of the Company.

p. Financial Liabilities

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts are determined to approximate fair value due to the short maturity of these instruments.

q. Offsetting

Financial Assets and Financial Liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

r. Contingent Liabilities

Disclosure of contingent liability is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of amount cannot be made.

s. Provisions

The timing of recognition and quantification of the liability (including litigations) requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

INDEPENDENT AUDITOR'S REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

To,
THE MEMBERS OF SHREEOSWAL SEED AND CHEMICALS LIMITED
Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated financial statements of **SHREEOSWAL SEED AND CHEMICALS LIMITED** ("hereinafter referred to as the Holding Company") and its subsidiary (**SHREEOSWAL PSYLLIUM EXPORTS INDIA LIMITED**) (Holding company and its subsidiary together referred to as "the Group") which comprise the Consolidated Balance Sheet as at March 31, 2025, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date and notes to the Consolidated financial Statement including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements, give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at March 31, 2025, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No.	Key Audit Matter	Auditor's Response
1	Pending Litigations	
	As disclosed in Note 37 to the financial statements, the Company is involved in an ongoing litigation with the Income Tax Department & GST Department, currently pending before the Commissioner of Appeals. The litigation pertains to certain additions	Our audit procedures included, among others: Obtaining an understanding of the nature of the disputed matters and reviewing the Company's assessment of the potential

The Company is of the opinion, based on legal advice and facts of the case, that the demand is likely to be either deleted in full or substantially reduced and accordingly, no provision has been considered necessary in the financial statements. The matter has been disclosed as a contingent liability. We considered this to be a key audit matter due to: The significant judgment involved in assessing the likely outcome of the appeal; The materiality of the amount under dispute; and The potential impact on the financial statements if the outcome is unfavorable.	outcome. Examining relevant documents including the assessment order, grounds of appeal, and legal opinions obtained by the Company. Assessing whether the disclosures in the financial statements adequately describe the nature of the litigation and management's judgment.
2	Accounting and Valuation of Corporate Financial Guarantee	
	During the year, the Group has provided a corporate financial guarantee amounting to ₹220.00crores to a related party, with a tenure of 9 years and an annual commission income of ₹22.00 lakhs. The accounting treatment of this arrangement involved significant management judgment in determining the fair value at initial recognition, subsequent amortization under the effective interest rate (EIR) method, and in evaluating the expected credit loss (ECL). Given the absence of observable market data for similar instruments in India, management estimated the initial fair value based on the present value of future commission inflows, discounted at the Company's incremental borrowing rate. This resulted in an initial recognition of the financial guarantee receivable and liability at ₹131.90 lakhs. We identified this as a key audit matter due to: The complexity and subjectivity involved in the valuation methodology, Its material impact on the financial	Our audit procedures included, among others: Obtained and assessed the terms of the corporate guarantee agreement. Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statement by the Directors of the Holding Company as aforesaid.

In preparing the Consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk

of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- d) The accompanying Consolidated Financial Statements include the financial statements and other information of 1 wholly owned subsidiary '**ShreeoswalPsyllium Exports India Limited**' which reflect total assets of Rs. 6342.54Lacs as at March 31st, 2025 , total income before interest and tax of Rs 608.65 Lacs , total cash outflow of Rs.105.56Lacs For the year ended on that date which have been audited by us.

(Referred to our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SHREEOSWAL SEED AND CHEMICALS LIMITED** ("the Company") as of March 31, 2025 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- 1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Consolidated Financial Statements

Note No: 40 Financial Risk Management

(i) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk primarily relates to trade and other receivables, long-term loans, cash and cash equivalents.

The Company's exposure to credit risk with regards to trade and other receivables is influenced mainly by the individual characteristics of each customer and there is no significant concentration of risk related to industry segments. The granting of credit is controlled by well-established criteria that are reviewed on a regular basis. The maximum exposure to credit risk at the reporting date is the carrying amount of each trade receivable.

The credit policy requires each new customer to be analyzed individually for credit worthiness before delivery and payment terms are offered.

Other receivables consist primarily of security deposits, loans to employees and other receivables. The risk of default is assessed as low.

The credit risk surrounding loans receivable is assessed as low risk.

Credit risk on cash and cash equivalents is assessed as low risk as the Company deposits cash surpluses with financial institutions of high quality and standing.

(ii) Liquidity Risk

The Company actively monitors its cash flows to ensure there is sufficient cash available to meet its working capital requirements. Due to the dynamic nature of the underlying businesses, the Company maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's cash and cash equivalents on the basis of expected cash flow.

The Company's current trade and other payables are all due within one year.

The table below summarizes the maturity profile of the Company's financial liabilities as at 31 March 2025 based on contractual undiscounted payments:

Amount in Rs. Lakhs					
Particulars	Less Than One year	1-2 Years	2-4 Years	>4 Years	Total
Trade Payables	417.74	0.13	-	-	417.87
Long Term Borrowings	2.34	2.61	2.85	12.96	20.76
Short Term Borrowings	4,171.75	-	-	-	4,171.75

(iii) Market Risk

Interest Rate Risk

The Company is exposed to interest rate risk on its cash and cash equivalents, long-term loans and borrowings, which can have an impact on the cash flows of these instruments. The exposure to interest rate risk is managed through the Company's Board by using counterparties that offer the best rates which enables the Company to maximize returns whilst minimizing risk.
